Mobile Software Terms of Use

OUR MOBILE SOFTWARE. We make available the mobile software to access the Service via a mobile device (“Mobile Software”). To use the Mobile Software you must have a mobile device that is compatible with the Mobile Service. Ever does not warrant that the Mobile Software will be compatible with your mobile device. Ever grants to you a non-exclusive, non-transferable, revocable license to use a compiled code copy of the Mobile Software for one Ever account on one mobile device owned or leased solely by you, for your personal use. You may not: (i) modify, disassemble, decompile, or reverse engineer the Mobile Software, except to the extent that such restriction is expressly prohibited by law; (ii) rent, lease, loan, resell, sublicense, distribute or otherwise transfer the Mobile Software to any third party or use the Mobile Software to provide time sharing or similar services for any third party; (iii) make any copies of the Mobile Software; (iv) remove, circumvent, disable, damage, or otherwise interfere with security-related features of the Mobile Software, features that prevent or restrict use or copying of any content accessible through the Mobile Software, or features that enforce limitations on use of the Mobile Software; or (v) delete the copyright and other proprietary rights notices on the Mobile Software. You acknowledge that Ever may from time to time issue upgraded versions of the Mobile Software, and may automatically electronically upgrade the version of the Mobile Software

that you are using on your mobile device. You consent to such automatic upgrading on your mobile device, and agree that the terms and conditions of these Terms will apply to all such upgrades. Any third-party code that may be incorporated in the Mobile Software is covered by the applicable open source or third-party end user license agreement, if any, authorizing use of such code. The foregoing license grant is not a sale of the Mobile Software or any copy thereof, and Ever or its third party licensors or suppliers retain all right, title, and interest in and to the Mobile Software (and any copy of the Mobile Software). You agree to comply with all United States and foreign laws related to use of the Mobile Software and the Service. Standard carrier data charges may apply to your use of the Mobile Software. If the Mobile Software is being acquired on behalf of the United States Government, then the following provision applies: This is commercial computer software. If acquired by or on behalf of an agency, department, or other entity of the United States Government (“Government”), the use, duplication, reproduction, release, modification, disclosure, or transfer (“use”) of this software, and any related documentation of any kind, including technical data or manuals no matter how received by the Government, is restricted by the terms and conditions of a license agreement in accordance with Federal Acquisition Regulation 12.212 for civilian agencies, and Defense Federal Acquisition Regulation Supplement 227.7202 for military agencies. All other use is prohibited.

MOBILE SOFTWARE FROM ITUNES. The following also applies to any Mobile Software you acquire from the iTunes Store (“iTunes-Sourced Software”): You acknowledge and agree that these Terms are solely between you and Ever, not Apple, Inc. (“Apple”), and that Apple has no responsibility for the iTunes-Sourced Software or content thereof. Your use of the iTunes-

Sourced Software must comply with the App Store Terms of Service. You acknowledge that Apple has no obligation whatsoever to furnish any maintenance and support services with respect to the iTunes-Sourced Software. In the event of any failure of the iTunes-Sourced Software to conform to any applicable warranty, you may notify Apple, and Apple will refund the purchase price for the iTunes-Sourced Software to you; to the maximum extent permitted by applicable law, Apple will have no other warranty obligation whatsoever with respect to the iTunes-Sourced Software, and any other claims, losses, liabilities, damages, costs or expenses attributable to any failure to conform to any warranty will be solely governed by these Terms and any law applicable to Ever as provider of the software. You acknowledge that Apple is not responsible for addressing any claims of you or any third party relating to the iTunes-Sourced Software or your possession and/or use of the iTunes-Sourced Software, including, but not limited to: (i) product liability claims; (ii) any claim that the iTunes-Sourced Software fails to conform to any applicable legal or regulatory requirement; and (iii) claims arising under consumer protection or similar legislation; and all such claims are governed solely by these Terms and any law applicable to Ever as provider of the software. You acknowledge that, in the event of any third party claim that the iTunes-Sourced Software or your possession and use of that iTunes-Sourced Software infringes that third party's intellectual property rights, Ever, not Apple, will be solely responsible for the investigation, defense, settlement, and discharge of any such intellectual property infringement claim to the extent required by these Terms. You and Ever acknowledge and agree that Apple, and Apple's subsidiaries, are third party beneficiaries of these Terms as relates to your license of the iTunes-Sourced Software, and that, upon your acceptance of the terms and conditions of

these Terms, Apple will have the right (and will be deemed to have accepted the right) to enforce these Terms as relates to your license of the iTunes-Sourced Software against you as a third party beneficiary thereof.
